UK University Search will ensure all government laws and guidance in relation to Covid-19 are adhered to.

Testing and Vaccinations of Attendees

1. **Students** - We strongly recommend that students conduct a lateral flow test the evening before or on the morning of the event. Please advise students to do this. Any person with a positive result should not attend the event.
2. **Teachers, Staff, Parents** – All adults (above age of 18) must either be double vaccinated or complete a Covid-19 test the evening before or morning of the event. You will need to bring proof of this to the event. Proof of double vaccination will need to be shown using the NHS app (this is not the Covid-19 track and trace app.) This can be downloaded and set up on your smartphone using the following link - www.nhs.uk/nhs-app

A Lateral Flow test is acceptable if an adult has not received both vaccinations. You will need to show you have tested negative by either creating an Event Pass on the NHS app (which can be done here - www.nhs.uk/nhs-app) Alternatively, you can record your result here www.gov.uk/report-covid19-result and show the text message you have received as proof of your negative result.
