What makes our events special?

Emphasis on Exploration – We have a vast range of university, apprenticeship and career representatives at our events. We celebrate the different future pathways young people can take and are proud to present a real combination of options. Every student is unique, and we allow for each one to begin carving their own individual plan for the future.

Student Support – With seminars, brochures and the invaluable opportunity to engage with our exhibitors, pupils receive a very high level of help and attention to guide them through their options.

Venue – By holding our events at sporting venues we provide a more exciting and inspirational backdrop.

Options Guide – Receiving a guide, written largely by current university students and recent graduates, attendees have a very useful resource to take away with them and aid their decision making.

Timing – This event means that Year 13s can receive vital application support directly before they are required to submit their applications and make important choices. The event is also ideal to inspire Year 12s and 11s who are starting to make decisions about their post 18 education and career choices.

Teachers and Coordinators – We listen. Your comments and suggestions will be taken on board and implemented. You are supported by your assigned liaison manager – you'll receive regular updates and have the opportunity to get in touch whenever you need to. We also ensure that teachers are looked after on the day by providing them with their own area with complimentary tea/ coffee, as well as a lunch voucher.

"This is a fantastic event that just gets better and better each year - we especially appreciate that all the alternatives for students after they leave are represented, and not just the unis. Keep up the good work!"

David Giles – Post-16 Coordinator – Sir Herbert Leon Academy

"Our students and staff from Wimbledon College really enjoyed the event and came away with lots of really good information about options after Sixth Form from universities and apprenticeship providers. Please do let us know when you are running any similar events in the future."

Martina Collett-Creedy – Head of Careers – Wimbledon College

"This was a highly memorable event – the best I have taken my Sixth Form to yet. The venue was breath- taking, it was excellent organised, the teachers were well catered for and the seminars were highly informative. I really appreciate all the hard work you and the team put into this. We'll definitely be back for the next one!"
