What makes our events special?

Emphasis on Individuality – We have a vast range of university, apprenticeship, and career representatives at our events. We celebrate the different paths young people can take and are proud to present a variety of options. Every student is unique, and we allow for each one to begin carving their own individual plan for the future.

Student Support – With seminars, brochures and the invaluable opportunity to engage with our exhibitors, pupils receive a very high level of help and attention to guide them through their options.

Venue – By holding our events at sporting venues we provide a more exciting and inspirational backdrop.

Options Guide – Attendees receive a guide written largely by current university students and recent graduates. It is filled with important information which will help guide their decision making.

Teachers and Coordinators – We listen. Your comments and suggestions will be taken on board and implemented. You are supported by your assigned liaison manager – you'll receive regular updates and have the opportunity to get in touch whenever you need to. We also ensure that teachers are looked after on the day by providing them with their own area with complimentary tea/ coffee, as well as a lunch voucher.
