Our fairs allow students to meet a host of universities, HE institutions and apprenticeship providers from all over the UK. We provide the perfect platform for students to gain vital advice and guidance so they can make the right decisions about their future.

We are pleased to announce that UK University & Apprenticeship Search will be hosting our spectacular event at, and in partnership with the University of Northampton, on Tuesday 15th October.

Over the past five years we have run incredibly successful HE and apprenticeship stadium events at the Emirates Stadium (London), the Etihad Stadium (Manchester), Edgbaston (Birmingham), the King Power Stadium (Leicester), Elland Road (Leeds), Anfield (Liverpool), St James's Park (Newcastle) and Ashton Gate (Bristol).

We are now inviting you and your students to attend our new and inspirational fair in Northampton. The event is the perfect way for students to choose which university or apprenticeship is right for them. The fair is completely free for all students and teachers to attend.

This exciting and informative event will provide visitors with the opportunity to speak to a multitude of universities including; **Russell Group, Red Brick and Modern universities**. Students will also be able to talk to a very wide variety of the UK's best **apprenticeship providers**, HE colleges, specialist institutions, and student related organisations.

Being hosted at the University of Northampton's fantastic new Waterside campus, your students will have the opportunity to experience university life first hand. This incredible event will include campus tours and departmental demonstrations.

The fair is for students of all abilities and aims to widen participation as well as cater for high academic achievers.

What makes our events special?

Emphasis on Exploration – We have a vast range of university, apprenticeship and career representatives at our events. We celebrate the different future pathways young people can take and are proud to present a real combination of options. Every student is unique, and we allow for each one to begin carving their own individual plan for the future.

Student Support – With seminars, brochures and the invaluable opportunity to engage with our exhibitors, pupils receive a very high level of help and attention to guide them through their options.

Venue – By holding our events at universities or sporting venues we provide a more exciting and inspirational backdrop.

Options Guide – Receiving a guide, written largely by current university students and recent graduates, attendees have a very useful resource to take away with them and aid their decision making.

Timing – This event means that Year 13s can receive vital application support directly before they are required to submit their applications and make important choices. The event is also ideal to inspire Year 12s and 11s who are starting to make decisions about their post 18 education and career choices.

Teachers and Coordinators – We listen. Your comments and suggestions will be taken on board and implemented. You are supported by your assigned liaison manager – you'll receive regular updates and have the opportunity to get in touch whenever you need to. We also ensure that teachers are looked after on the day by providing them with their own area with complimentary tea/ coffee, as well as a lunch voucher.
