What makes our events special?

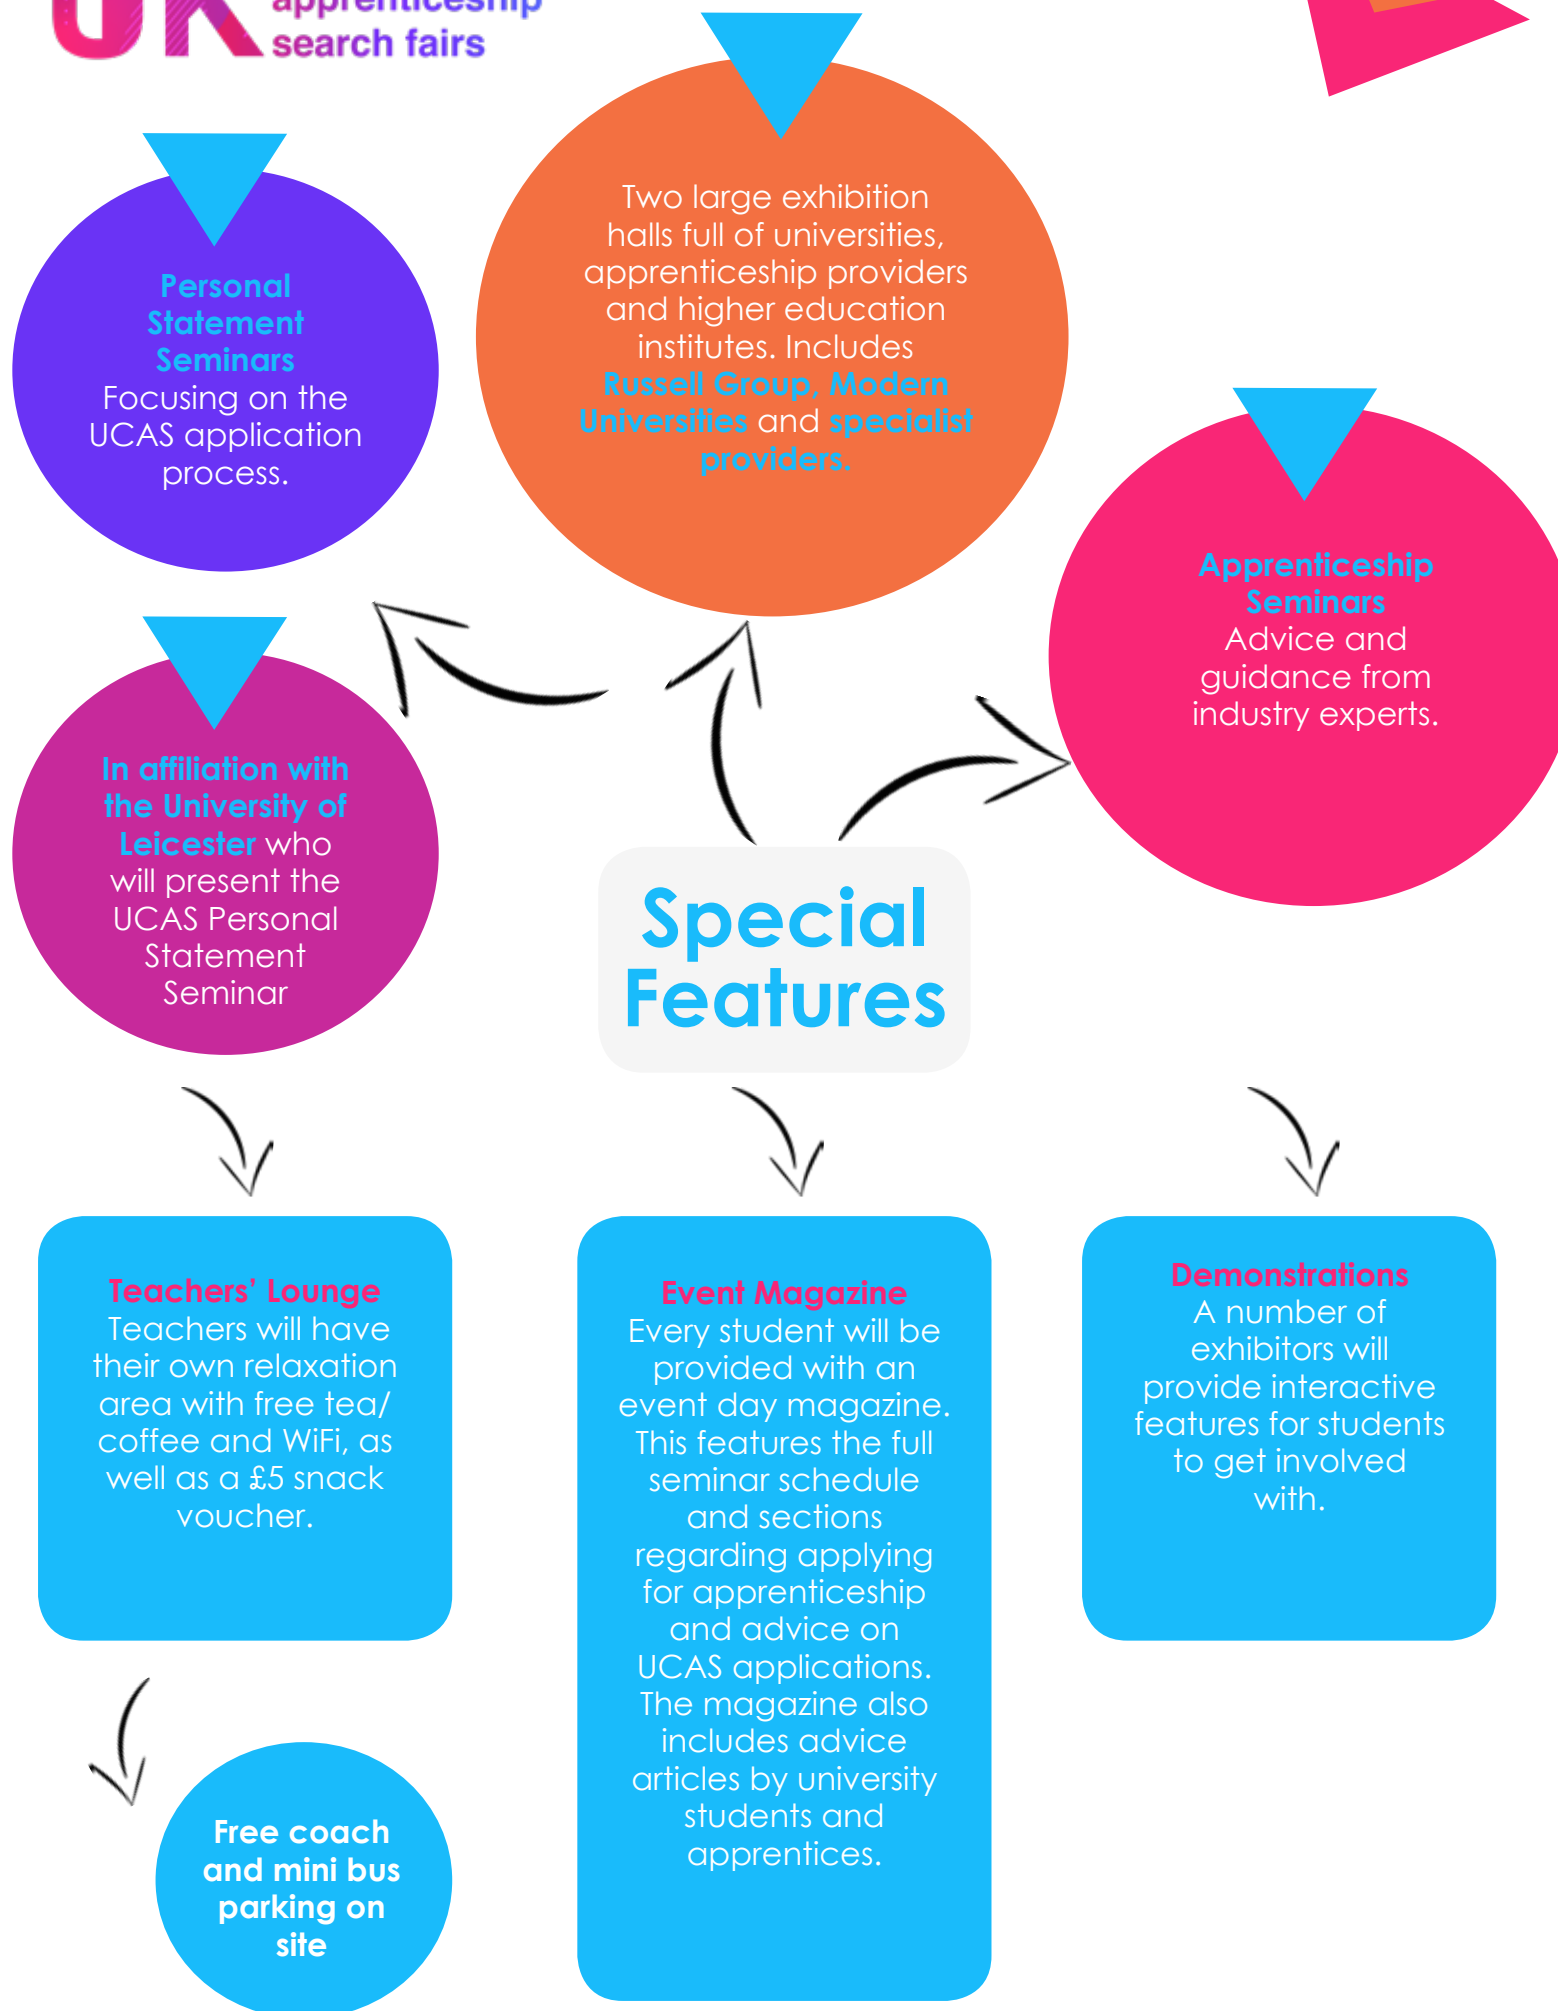

Emphasis on Exploration – We have a vast range of university, apprenticeship and career representatives at our events. We celebrate the different pathways young people can take and are proud to present a real selection of options. Every student is unique, so our events are designed to equip each student with the knowledge to carve their own individual plan for the future.

Student Support – With seminars, brochures and the invaluable opportunity to engage with our exhibitors, pupils receive an excellent level of help and attention to guide them through their options.

Venue – By holding our events at universities or sporting venues we provide a more exciting and inspirational backdrop.

Timing – This event is ideally timed to help Year 12s explore the full range of options open to them, and to help Year 13s finalise their decisions about their future before exam season, especially if they are seeking post-18 apprenticeships. The event is also ideal to inspire Year 11s who are starting to make decisions about their post-18 education and career choices. Please note our fairs are not designed for Year 9s or 10s.

Teachers and Coordinators – We listen. Your comments and suggestions will be taken on board and implemented. You are supported by your assigned liaison manager – you'll receive regular updates and have the opportunity to get in touch whenever you need to. We also ensure that teachers are looked after on the day by providing them with their own area with complimentary tea/coffee, as well as a lunch voucher.

"We found the event and seminars really helpful. Students who attended all went away enthused and inspired. They managed to speak to a range of exhibitors and took away some invaluable information relating to personal statement and student finance, which they received first-hand (instead of just another school presentation). Thank you."

Philip Jones – Careers – Wilmslow High School

"This is a fantastic event that just gets better and better each year - we especially appreciate that all the alternatives for students after they leave are represented, and not just the unis. Keep up the good work!"

David Giles – Post-16 Coordinator – Sir Herbert Leon Academy

"Thank you for all of your help organising the event. There are a number of our students who are now considering going to uni who hadn't even thought it would be possible so thank you."

Danielle McLeavy – Head of Year 12 – Energy Coast UTC
