What makes our events special?

Emphasis on Exploration – We have a vast range of university, apprenticeship and career representatives at our events. We celebrate the different pathways young people can take and are proud to present a real selection of options. Every student is unique, so our events are designed to equip each student with the knowledge to carve their own individual plan for the future.

Student Support – With seminars, brochures and the invaluable opportunity to engage with our exhibitors, pupils receive an excellent level of help and attention to guide them through their options.

Venue – By holding our events at sporting venues we provide a more exciting and inspirational backdrop.

Options Guide – All attendees receive a guide, written largely by current university students and recent graduates. This is a very useful resource to take away with them, aiding their decision making beyond the fair.

Teachers and Coordinators – We listen. Your comments and suggestions will be taken on board and implemented. You are supported by your assigned liaison manager – you'll receive regular updates and have the opportunity to get in touch whenever you need to. We also ensure that teachers are looked after on the day by providing them with their own area with complimentary tea/ coffee, as well as a lunch voucher.

Two large exhibition halls full of universities, apprenticeship providers and higher education institutions. Includes **Russell Group, Modern Universities** and **specialist providers**.

"We found the event and seminars really helpful. Students who attended all went away enthused and inspired. They managed to speak to a range of exhibitors and took away some invaluable information relating to personal statements and student finance, which they received first hand (instead of just another school presentation). Thank you."

Philip Jones – Careers - Wilmslow High School

"This is a fantastic event that just gets better and better each year - we especially appreciate that all the alternatives for students after they leave are represented, and not just the unis. Keep up the good work!"

David Giles – Post 16-Coordinator –
Sir Herbert Leon Academy

"Thank you for all of your help organising the event. There are a number of our students who are now considering going to uni who hadn't even thought it would be possible so thank you."

Danielle Mcleavy – Head of Year 12 Energy
Coast UTC

"Thank you for helping us to get our students to the event and supporting them with their progression and aspirations. We think that the learners found it of great benefit."
