We are pleased to announce that UK University & Apprenticeship Search in affiliation with Cardiff University will be bringing our exciting event to Cardiff City Stadium on Friday 6th March 2020.

Over the past five years we have run incredibly successful HE and apprenticeship stadium events at the Emirates Stadium (London), Old Trafford (Manchester), Edgbaston (Birmingham), the King Power Stadium (Leicester), Elland Road (Leeds), Anfield (Liverpool), St James' Park (Newcastle) and Ashton Gate (Bristol).

This informative event will provide attendees with the opportunity to speak to representatives from **Russell Group, Red Brick and Modern universities**. Students will also be able to talk to a very wide variety of the UK's best **apprenticeship providers**, HE colleges, specialist institutions, and student related organisations.

What makes our events special?

Emphasis on Exploration – We have a vast range of university, apprenticeship and career representatives at our events. We celebrate the different pathways young people can take and are proud to present a real selection of options. Every student is unique, so our events are designed to equip each student with the knowledge to carve their own individual plan for the future.

Student Support – With seminars, brochures and the invaluable opportunity to engage with our exhibitors, pupils receive an excellent level of help and attention to guide them through their options.

Venue – By holding our events at universities or sporting venues we provide a more exciting and inspirational backdrop.

Timing – This event is ideally timed to help Year 12s explore the full range of options open to them, and to help Year 13s finalise their decisions about their future before exam season, especially if they are seeking post-18 apprenticeships. The event is also ideal to inspire Year 11s who are starting to make decisions about their post-18 education and career choices. Please note our fairs are not designed for Year 9s.

Teachers and Coordinators – We listen. Your comments and suggestions will be taken on board and implemented. You are supported by your assigned liaison manager – you'll receive regular updates and have the opportunity to get in touch whenever you need to. We also ensure that teachers are looked after on the day by providing them with their own area with complimentary tea/coffee, as well as a lunch voucher.

"Our students and staff from Wimbledon College really enjoyed the event and came away with lots of really good information about options after Sixth Form from universities and apprenticeship providers. Please do let us know when you are running any similar events in the future."

Martina Collett-Creedy – Head of Careers –

"This is a fantastic event that just gets better and better each year - we especially appreciate that all the alternatives for students after they leave are represented, and not just the unis. Keep up the good work!"

"This was a highly memorable event – the best I have taken my Sixth Form to yet. The venue was breath-taking, it was excellently organised, the teachers were really well catered for and the seminars were highly informative.
