What makes our events special?

Emphasis on Exploration – We have a vast range of university, apprenticeship and career representatives at our events. We celebrate the different pathways young people can take and are proud to present a diverse selection of options. Every student is unique, so our events are designed to help equip each student with the knowledge and guidance they need.

Student Support – With seminars, brochures and the invaluable opportunity to engage with our exhibitors, pupils receive a very high level of help and attention to guide them through their different higher education options.

Venue – By holding this event at a university, students will be able to gain a positive insight into what student life is like and experience a university campus.

Timing – The event is ideal to inspire and motivate Year 12s and 11s who are starting to make decisions about their post-18 education and career choices. The fair is also a great opportunity for any undecided Year 13s who need help and guidance. Please note our fairs are not designed for Year 9s or 10s.

Teachers and Coordinators – We listen. Your comments and suggestions will be taken on board and implemented. You are supported by your assigned liaison manager – you'll receive regular updates and have the opportunity to get in touch via phone or email whenever you need to.
