What makes our events special?

**Emphasis on Exploration** – We have a vast range of university, apprenticeship and career representatives at our events. We celebrate the different pathways young people can take and are proud to present a diverse selection of options. Every student is unique, so our events are designed to help equip each student with the knowledge and guidance they need.

**Student Support** – With seminars, brochures and the invaluable opportunity to engage with our exhibitors, pupils receive a very high level of help and attention to guide them through their different higher education options.

**Venue** – By holding our events at sporting venues we provide a more exciting and inspirational backdrop.

**Timing** – This event means that Year 13s can receive vital application support directly before they are required to submit their applications and make important choices. The event is also ideal to inspire Year 12s and 11s who are starting to make decisions about their post-18 education and career choices. Please note our fairs are not designed for Year 9s or 10s.

**Teachers and Coordinators** – We listen. Your comments and suggestions will be taken on board and implemented. You are supported by your assigned liaison manager – you'll receive regular updates and have the opportunity to get in touch via phone or email whenever you need to.
