This was a highly memorable event – the best I have taken my Sixth Form to yet. The venue was breath-taking, it was excellently organised, the teachers were well catered for and the seminars were highly informative. I really appreciate all the hard work you and the team put into this. We'll definitely be back for the next one!

This is a fantastic event that just gets better and better each year - we especially appreciate that all the alternatives for students after they leave are represented, and not just the unis. Keep up the good work!
